Dear Skip:

On February 17, 1983, at 7:30 P.M. in Marian Hall at Saint Joseph's Hospital in Carbondale, the Carbondale Historical Society will present an illustrated lecture/talk on the Delaware and Hudson Canal Company's Gravity Railroad from Carbondale to Honesdale. Several members of the Society will participate in this presentation, which will conclude with a screening of the film about the Delaware and Hudson Canal entitled "The Canawler."

I hope that your schedule is such that you will be able to attend this presentation.

Sincerely,

S. Robert Powell
